Tell your legislators to support SB 5311, which includes an increase on the cap to 15% with the caveat that you think the cap should be removed entirely.

Molly B Quick to Everyone 12:36 PM  
Thanks, Selma.

Julie Cuninghame Schillreff (she/ella) to Everyone 12:37 PM  
Will the bill fund the resident pay, or will the district and program fund that?

Selma Powell (she, her, hers) to Everyone 12:37 PM  
For context, currently there is a 13.5% cap on funding.

Are the rules different if they reach out to you vs if you reach out to them?

Molly B Quick to Everyone 12:55 PM  
nope

Marie Rose-McCully to Everyone 12:56 PM  
To summarize, only 3 interactions per session?

Davida Sharpe-Haygood (She/Her) to Everyone 12:57 PM  
Joyce, maybe we should find a place on the website for Lobbying rules and information. This will help us be informed and set individuals up for success in the future.

Molly B Quick to Everyone 12:58 PM  
Great idea, Davida!

Vicki Butler to Everyone 12:58 PM  
Sharon - that is a great pitch!!! They are a delightful group.

Bob Cooper to Everyone 1:05 PM

1. You may lobby any three days in a quarter before having to register. You can lobby all day long if you'd like. But when you have lobbying meetings on a fourth day in the quarter, you are required to register.
2. If a member or staff reaches out to you with questions, that is not lobbying, per se, if you do not ask them to do something specific. You can, however, lead the horse to water ...

Tariq Akmal, WSU to Everyone 1:07 PM  
A shoutout to both Sharon and Fred for their roles at WACTE. Thanks to both of you for all your work for WACTE!
