**Tuesday (4/25) from 1p-3p. <https://cityu-edu.zoom.us/j/7493124727>**

Attached is our bylaws for your review, particularly in terms of elections and leadership.

For our agenda:

1. Presentations/updates from ERDC (Tess) and PESB (Jisu).
2. Nominations and voting for DA Group – Director, Associate Director, and Secretary. According to the bylaws, the Associate Director should step into the Director role after one year, yet we do not currently have an Associate Director. We will discuss how we wish to move forward as one of our agenda items. Once we choose our path, voting will be done virtually over the course of the next two weeks after our meeting (I will build an online form where each institution will vote). Please be prepared to nominate anyone you feel (including yourself) would be interested in leading this group. I'm happy to continue to serve, but I do think it is important to rotate our leadership and want to ensure space for others to lead.
3. Review the updated reporting schedule that we discussed at our winter meeting.
4. Questions/discussion around ERDC's larger P-20W data collection and research; ERDC is seeking input from programs regarding essential questions about EPP data.
5. Broader discussion around best practices and models we can share amongst the programs to help those who are struggling with data collection and internal tools. The goal with this item is for us to work collaboratively to help each other improve our own internal practices by sharing tools and strategies that we find effective and useful.
6. Anything else for the good of the order.

Let me know if you have any questions or concerns! Looking forward to meeting with everyone!

Best,

Bryan Carter, Ph.D.
