Questions to address: How is this different from the current

Steve Brown he/him CityU to Everyone 9:27 AM

How is this different from the current Block Grant program -- other than making it bigger, with more money, etc.? Also, does this include just university programs or can it cover "providers" like WEA?

Tara Haskins EWU to Everyone 9:29 AM

Marie, those are a bit different from the current WAC

Rachel Oppenheim - Antioch (she/ her) to Everyone 9:30 AM

We'll be compiling more later as well

Dr. Shelly Shaffer, Eastern Washington University to Everyone 9:32 AM

Molly B Quick to Everyone 9:36 AM

^that's awesome, y'all!

You to Rachel Lei, Bates Technical (Direct Message) 9:40 AM

Hi, Rachel,

Maria Bastien Valenca - WWU to Everyone 9:41 AM

A question for later: Page 3 line 33 — a question of the process on how coursework will be codesigned.

You to Rachel Lei, Bates Technical (Direct Message) 9:41 AM

You need to register for WACTE to attend any of the meetings. What is your email and I'll send you a registration form? Thanks,

Jennifer Dechaine (CWU) she/her to Everyone 9:41 AM

Yes, depending on how you define

Koray Lynx, Ph.D., Heritage U to Everyone 9:41 AM

Yes

Rachel Oppenheim - Antioch (she/ her) to Everyone 9:42 AM

Depending on how you define residency, yes

Bryan Carter - CityU (he/him) to Everyone 9:42 AM

I would argue anyone who has a Route 2 or 4 program where candidate stays hired throughout (like Block Grant) is residency.

Megan Kelley-Petersen (she/her) to Everyone 9:42 AM

UW Seattle has the Seattle Teacher Residency, in partnership with Seattle Public Schools and the Alliance for Education.

Maria Bastien Valenca - WWU to Everyone 9:43 AM

And does residency include pay as part of the definition.

Marie Rose-McCully (WVC, she/her) to Everyone 9:44 AM

WVC does 720 hours in the school; we call it residency. They start the year in their placement. Students have 2 different placements throughout the year (ECE and ECSE). Candidates are not paid.

I am going to switch over to my phone/audio only. My toddler's daycare just called to tell me he may have broken his finger.

Rachel Oppenheim - Antioch (she/ her) to Everyone 9:46 AM

I have a visual that describes residencies (one current definition) if that's helpful

But again, we can discuss more later

Tariq Akmal, WSU to Everyone 9:46 AM

Would you drop it in the chat please, Rachel?

Rachel Oppenheim - Antioch (she/ her) to Everyone 9:47 AM

Sure. It's a whole PowerPoint, but I'm looking at slide 5.

You to Rachel Lei, Bates Technical (Direct Message) 9:54 AM

Rachel, would you please send me your email address? I need to send you the registration form for today. Thanks,

Tariq Akmal, WSU to Everyone 10:03 AM

This gives me a chance to check/catch up on email!

Jennifer Dechaine (CWU) she/her to Everyone 10:09 AM

@Erica, for notes - did you say that there will be a survey regarding the specialty endorsement, clock hours regulation issue?

Tariq Akmal, WSU to Everyone 10:10 AM

Thank you so much for that, Erica! We agree with you!!!

Tariq Akmal, WSU to Everyone 10:17 AM

Wow—I recall you being born in MI, but didn't know it was there. It is definitely a "niche" spot. Looks a lot like Bozeman to me. She works in the huge Warren plant.

Molly B Quick to Everyone 10:28 AM

I have to move to another meeting, but Rachel will take over from here! See you in a couple hours. Thanks, friends.

Tara Haskins EWU to You (Direct Message) 10:30 AM

you might want to mute yourself

Maria Bastien Valenca - WWU to Everyone 10:36 AM

How near/far in the future might applications for this be?

Tariq Akmal, WSU to Everyone 10:40 AM

This all sounds very exciting!

Megan Kelley-Petersen (she/her) to Everyone 10:40 AM

This all sounds so exciting and interesting! Thanks for your leadership!

Jennifer Dechaine (CWU) she/her to Everyone 10:43 AM

I didn't go, but two from CWU did and reported

Tara Haskins EWU to Everyone 10:49 AM

there has been a lot of conversation around the disconnect between how we are training candidates and what the districts need --

Karen mentioned the narrative for the last 20 years

we need a story

"story" narrative

Dauida Sharpe-Haygood (She/Her) to Everyone 10:50 AM

Everyone can authentically say they can offer the same or better

oops Can't

Tara Haskins EWU to Everyone 10:52 AM

we did hear that in the residency workgroup

Rachel Oppenheim - Antioch (she/ her) to Everyone 10:55 AM

Thanks for those thoughts, Tariq. I really appreciate your perspective & context.

Tariq Akmal, WSU to Everyone 10:56 AM

Happy to join if I'm needed. 😊

Great points, Bryan—and that most of the hiring across the state comes down to 23 or so larger districts that are in areas of population growth in the state.

Bryan Carter - CityU (he/him) to Everyone 11:00 AM

There is also the question of granting initial (Residency) certs to out-of-state folks who complete an out of state program (but do not have out of state cert) and do not fall under PESB guidelines/regulations/reporting.

Laird Leavitt - NU to Everyone 11:02 AM

Could someone put the bill in the chat?

David Sharpe-Haygood (She/Her) to Everyone 11:09 AM

What feels important in regards of a WACTE representative role?

Tara Haskins EWU to Everyone 11:11 AM

please excuse me for a moment

Megan Kelley-Petersen (she/her) to Everyone 11:13 AM

My colleague, Teddi Beam-Conroy (at UW Seattle) is on both the Dual Language Steering Committee, and in particular the Educator Preparation Subcommittee. She said she's not an official WACTE rep and isn't sure if there is anyone designated as a WACTE rep in that space.

Tara Haskins EWU 11:15 AM

we do have a semi-list right
